1 pair of scissors
1 piece of chalk, dark pencil, washable marker or extra fine sharpie

INSTRUCTIONS

- 1.Trace pattern onto fabrics with writing utensil (if using a sharpie or unwashable marker, be careful not to let the marks bleed through. Account for the seam allowance in placement, optionally marking that as well
- 2.Cutout pattern, bein sure to add a ¼ inch seam allowance for all piece marked with a square
- 3.Sew darts in body pieces, wrong to wrong
- 4.Sew long sides of body together, wrong to wrong
- 5.Sew straight edges of inner and outer leg together for both legs, wrong to wrong
- 6.Sew foot pads/circles to round edge of legs, wrong to wrong
- 7.Sew legs to body, wrong to wrong
- 8.Turn whole project right-side out, stuff to desired fluffiness1.
- 9.Use invisible stitch to sew shut stuffing gap
- 10.Sew backpack pieces into a box, leaving one side piece half sewn, wrong to wrong sides
- 11.Turn backpack inside out, stuff and invisible stitch shut
- 12.Invisible stich backpack to body
- 13.Change thread to white, running stitch shine piece to faceplate wrong (shine) to right (faceplate), slightly off center to the upper left of the faceplate
- 14.Change thread to faceplate color, dart faceplate wrong to wrong
- 15.Pin faceplate to face, wrong (faceplate) to right (body).
- 16.Tuck the seam allowance of the faceplate in and invisible stich it to the body, leaving a small gap at the end for stuffing
- 17.Lightly stuff, and then finish the invisible stitching on the bottom of the plush
